MESSAGE FROM THE CEO

by Buzz Burich

Thanks to everyone who attended our 120th Anniversary Celebration. The week started out big as we served brats and beverages at our downtown office with over 1,000 people attending. Throughout the rest of the week we served cookies and lemonade, and then topped it off with root beer floats on Friday. Our lobby had a special exhibit from the McLeod County Historical Society which featured many banking artifacts. We also had prize drawings for local gift certificates and Hutch Bucks.

Our 120th Anniversary Celebration has been a great opportunity for our staff to get to know you better. We enjoy serving you and helping you achieve your personal financial goals. Thanks for being our customer and supporting us over the past 120 years!

DEALING WITH AN INHERITANCE?

It's a nice problem to have, but many want advice on how to invest any inheritance. It is easy to think about splurge items in the short term, but most of us are going to have long term goals such as retirement and education for our children. An inheritance may be one of the ways we can achieve these goals. Writing down long term goals next to the more immediate short term ones may be a wise thing to do.

Call me at 587-0850 for assistance with handling your long term needs.

Congratulations to our President Tim Ulrich, who made the finals of the milking contest!

● INSURANCE SPOTLIGHT

BOAT INSURANCE THAT WON'T SINK THE SHIP

Summertime boating can be a very memorable experience for the entire family. Dealing with some companies for boat insurance may be an experience, however, that you'd like to forget. That is why Citizens Insurance Agency has several options for insuring watercrafts of all kinds, and as an independent agency, we can shop around to get you the best deal for insuring the boat exclusively, or adding it to your homeowners policy. Call us for more information on insurance for boats, ATVs, motorcycles, RVs and all your summer "toys."
