STAFF RECOGNITION

Congratulations to **Mike Cannon** on his retirement from college football officiating! Mike has been a football official for 43 years, including the last 23 in the Big Ten Conference. He was fortunate enough to be selected to officiate a Division II College National Championship in 1994 and three DI National Championships in 2006, 2011 and 2019.

Robyn Lawson and her husband Matt moved to Florida this fall to be closer to their daughter Kylie. Robyn worked at Citizens Bank for 8 years. She started as a part-time teller in 2014, moved to the Teller Supervisor position in 2015 and was promoted to Teller Operations Officer in 2018. We'd like to thank Robyn for her dedication to CB&T and wish her the best in Florida.

Are you a decision maker? Of course you are. You have made major decisions with your money, your investments, and all kinds of financial matters. You have done so with knowledge. As a financial professional, I don't make decisions for my clients – I empower them with knowledge, so that they can make informed choices themselves. Beyond the moment of choice, I plan for the years ahead.

Having a plan may bring you more than confidence – it may put you on the road to a better financial future. I want to see you plan well and thoughtfully for that future. Why not "double-check" and see that you have done so? You may contact me at 320-587-0850 or tami.stovern@lpl.com. I would be happy to have a friendly initial meeting with you about where you stand financially and what decisions you are concerned about. I look forward to it, and there are absolutely no strings attached.
